PACK WITH CONFIDENCE

Weather + What to Wear

October in Richmond is typically beautiful.

65–75°F
AVERAGE DAYTIME

45–55°F
EVENINGS + EARLY MORNINGS

Layers are recommended. Conference spaces can feel cool, so bring a light sweater or jacket.

Radiant is casual to business casual.

You'll see everything from jeans and boots to dresses and cardigans. Wear whatever allows you to worship, learn, and participate comfortably throughout the weekend.

SINCE OCTOBER WEATHER CAN BE UNPREDICTABLE, BRING:

01

A light jacket or cardigan

02

Comfortable shoes

03

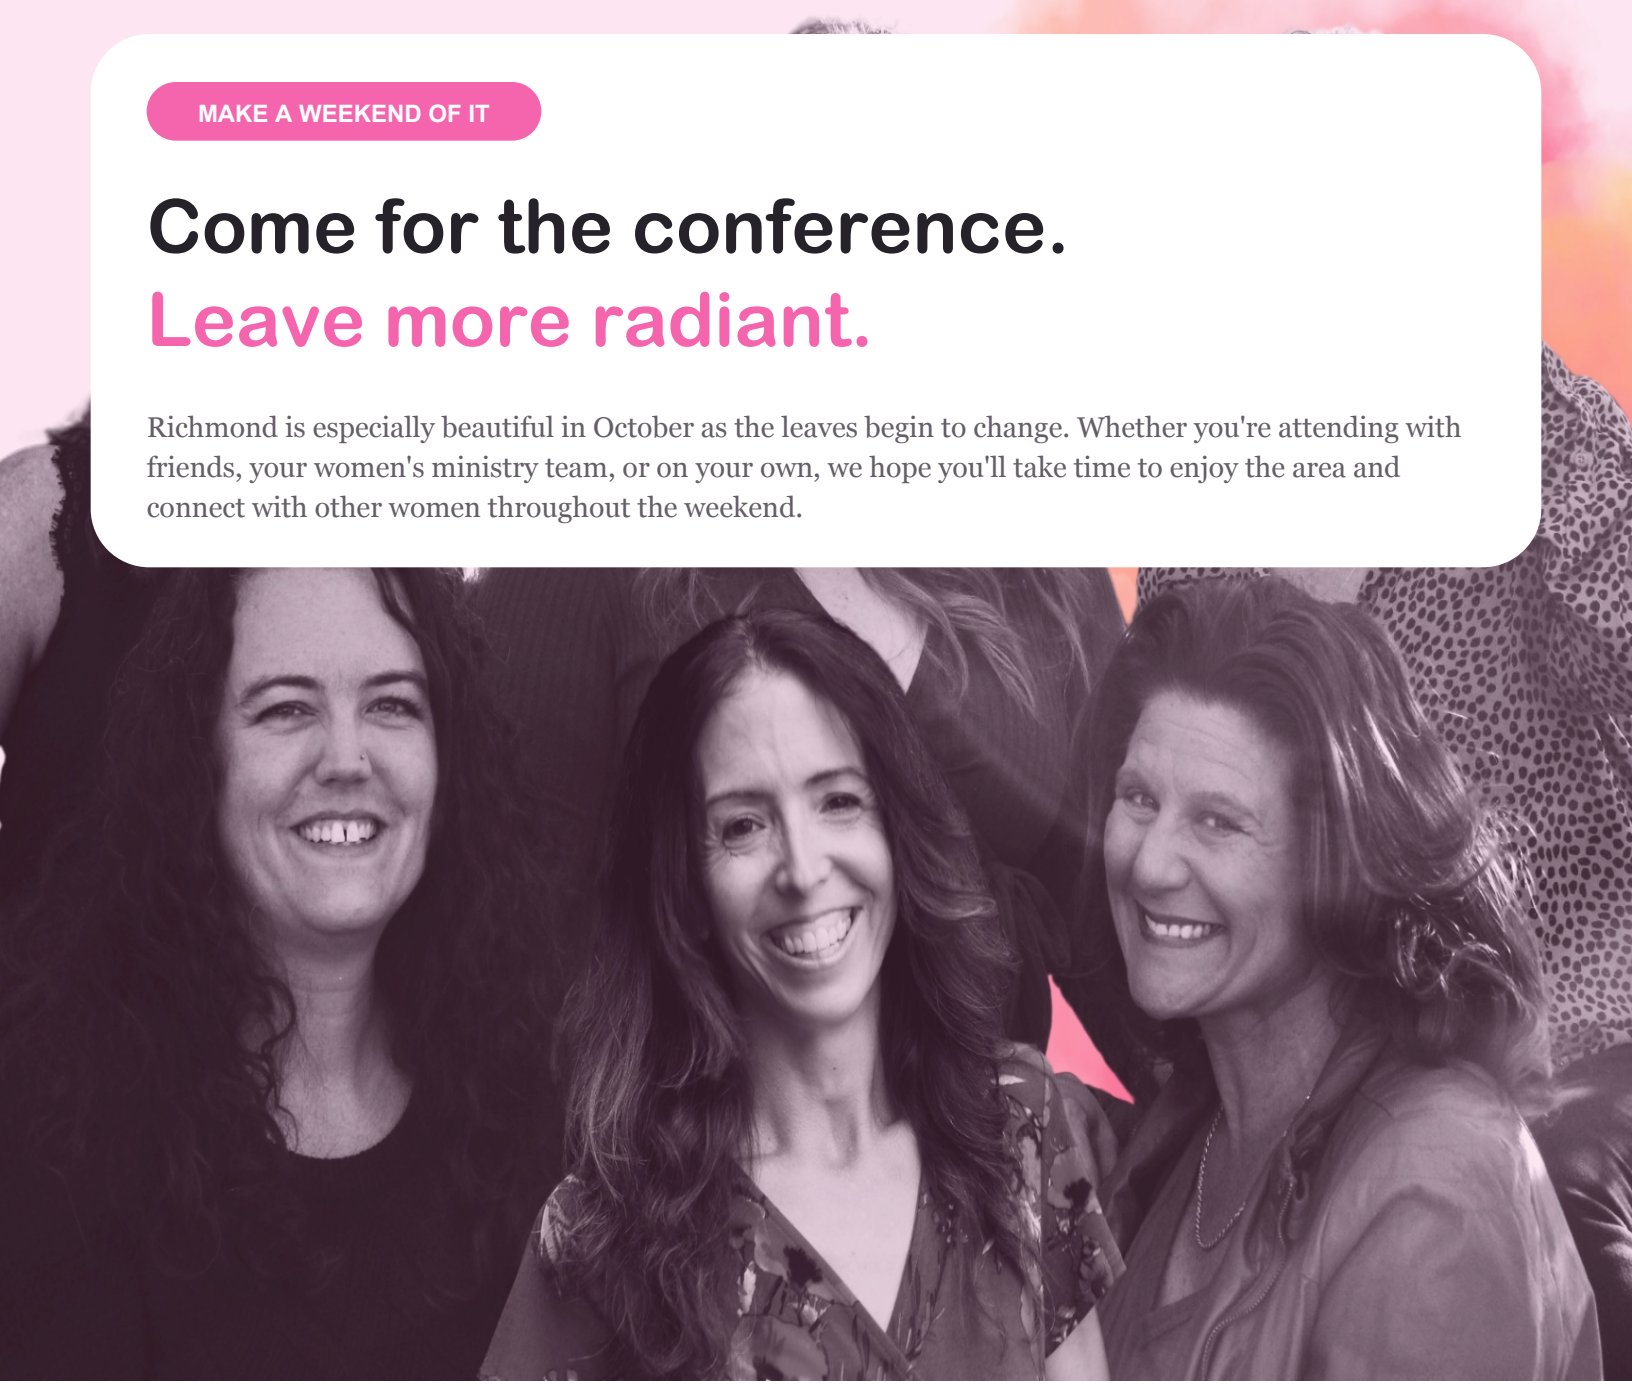

A reusable water bottle

Comfort is the dress code beneath the dress code: come ready to worship, learn, connect, and enjoy the whole weekend.

MAKE A WEEKEND OF IT

Come for the conference.
Leave more radiant.

Richmond is especially beautiful in October as the leaves begin to change. Whether you're attending with friends, your women's ministry team, or on your own, we hope you'll take time to enjoy the area and connect with other women throughout the weekend.
